

Introducing our brand new Senior Elementary Summer Camp 2010

We are thrilled to introduce our brand new speciality camp, designed specifically for 9-12 year olds. Our older campers will enjoy programming that is physically challenging and dynamic. We know that the young teen needs a weekly themed camp that immerses the camper in an enriched social environment filled with high energy activities. Our new camp has a diverse mix of weekly themes giving the campers many different opportunities over the summer.

Another exciting component to our new camp is the addition of French enrichment on a daily basis throughout the summer. To maximize the potential of enriched French over the summer, this new senior elementary camp will have 50% of the staff speaking French to the campers on an ongoing basis throughout the day.

Not only is our new camp a great place to hang out with old and new friends and experience high energy activities such as Mont Cascade, zip lining at Camp Fortune and rock wall climbing but campers will go back to school in the fall having improved their French comprehension.

Here is a sneak peak at our weekly camp schedules. A more detailed weekly schedule will be available in early June. Be sure to tell all your friends about our new camp as it will be a summer to remember.
